### Joint Owner Rule

To have a joint owner removed from an account, we must have a permission letter signed by all parties on the account giving their permission to have said name removed. In the event that signatures do not match with the signatures that we have on file, it may then be necessary to have signatures notarized.

I (we) give our permission to have \_\_\_\_\_ removed from account # \_\_\_\_\_.

Dated \_\_\_\_\_ Signature \_\_\_\_\_  
Signature \_\_\_\_\_  
Signature \_\_\_\_\_  
Signature \_\_\_\_\_

\*\*\*All signatures will be verified and approved by a Credit Union official.
