CHESSIE FEDERAL CREDIT UNION

Authorization to Transfer between Accounts

Does not apply to Non-personal accounts

This service allows you to transfer from your account to another account using Chessie Federal Credit Union's electronic services TellerPhone and Online Banking.

Separate authorization is required for each transfer relationship you wish to establish.

If you are not the custodian or Primary owner of the account to which funds will be transferred, the custodian or Primary owner of the account must authorize release of account information in Box B.

Transfer From Account

Important Information About Your Account

I understand that my account number will appear on the account statement of the account that I choose to transfer funds to.

By signing below, I accept responsibility for any transactions done through Online Banking and/or TellerPhone, which occur between the accounts listed on this authorization form as related to cross-account processing. I agree to hold the credit union harmless for any losses I may incur due to cross-account processing or cross-account transfer or access.
